We're still wrangling with him about what allegations we will investigate. He's a bit down on my list of priorities, but you're right, his LOF is coming up soon. Do you think we can schedule something for 11/7 or 11/8? Thanks

Hi, Chris-

I just wanted to follow up - I haven't heard anything about a site visit for the newest Jamarussadiq case. Do you need to do one? Or do you have enough documentation from the previous cases to address these current allegations?

Let me know!

Kerry
